Evergreen Community Day, 5-8
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. - For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/. - For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/. - For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

At the Evergreen Community Day School (CDS), Our Place, the goal is to help students develop into self-disciplined, self governing individuals who respect themselves, others, and their environment, and who are capable of making decisions that are personally and socially responsible in order to successfully participate in a general education setting. They focus on ownership, unity, and respect. Students serviced by CDS are expelled, placed by a SART or SARB board, or through the SST process. The common denominator is that these students have not been successful in the regular education program and they have caused disruption and/or danger to regular education programs and students. Students are placed after other interventions have failed (Student Study Team referrals, classroom modifications, increased adult supervision by use of aide, behavior support plans, parent conferences, counseling, community service, and other forms of interventions including suspensions).

A. Conditions of Learning	**State Priority: Basic**
	The SARC provides the following information relevant to the State priority: Basic (Priority 1):
	• Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
	• Pupils have access to standards-aligned instructional materials; and
	• School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

School Facility Conditions and Planned Improvements

The Evergreen CDS Program is located at the Evergreen Middle School campus. The CDS students share one classroom, which is separated from the rest of the school.

The Evergreen Middle School campus received an overall exemplary rating on the Facility Inspection Tool (FIT) in December 2021. The systems, interior, cleanliness, electrical, restrooms/fountains, safety, structural, and external systems are in all in good repair at this site. We have continued to increase the physical safety of students at Evergreen Middle during the past year by adding fencing around our perimeter, ensuring our lockdown and fire alarm horns are working effectively, and consistently checking our two-way radios and Aeries Communication for staff to communicate concerns and communicate with families, respectively. Window blinds, window tinting, and the use of magnets on all locked doors are used to ensure safety should we need to go into lockdown. Any issues regarding facility repair are either a) promptly brought to the attention of the EUSD Safety Committee, who meets monthly, or more often if need be, to address areas that are a safety concern, or b) submitted as a maintenance request to the EUSD Maintenance Department.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	--	--	34	40	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results.   The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are included every step of the way from entry to exit. We like them to be a part of goal setting upon entry and transitional plans to exit. In between there are frequent modes of communication including phone calls, informal visits, emailing, texting, and daily behavior reports.

2023-24 School Safety Plan

Because the CDS Schools are located at the middle school campus, they are included into the Evergreen Middle School Safety Plan which is updated annually. We practice emergency drills including both lockdown and fire and hold trainings for staff on emergency preparedness and Covid protocols, annually. Every visitor must sign in and wear a name tag while on campus, and we require all employees to wear a name badge whenever they are on campus. We have fencing lights keeping campus well lit when dark outside, as well as additional cameras. During the pandemic, the School Safety Plan has evolved to include safety protocol for staff and students when the campus is open to ensure the health and safety of all. Details regarding these safety protocols can be found in the EUSD Covid Prevention Plan on the EUSD website. Teachers regularly review the rules/expectations for safe, responsible student behavior.

D. Other SARC Information

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Fiscal Year 2022-23 Types of Services Funded

Title I funds are used to support our paraprofessional salaries and benefits for direct student support along with Professional Development for our staff. Additional Local Control Funding Revenues and other State Revenues are used to purchase standards based materials and to replenish consumable student materials, as well as support continued purchasing technology to be placed directly in the classroom.

Concentration/Supplemental revenues are used to provide increased and/or improved services to the students that generate those funds.

Professional Development

Evergreen Union School District supports and encourages various forms of professional development. There are two days before school starts devoted to staff development, which encompasses experts either inside or outside our school district providing information to meet the unique needs of individuals and school sites. In addition, every Friday staff are released from instruction early so that they can participate as Professionals Learning in Community (PLC) opportunities; these times are devoted strictly to collaboration or deeper learning in specific areas needing further development or growth provided by experts in the content area or topic. State and local data, needs assessments, and staff surveys drive the professional development. Most recently, the district has recognized a need to (re) build an exemplary system with a focus to simplify, clarify, and prioritize/align the social emotional and academic instruction our students receive. Professional development across grade level and content area groups are presently focused on this opportunity to learn together and develop collective efficacy.

This table displays the number of school days dedicated to staff development and continuous improvement.
